SCOPE OF WORK

TGP was awarded an Onshore Linepipe Transportation Contract in Dammam, KSA. This significant contract, serving final client Saudi Aramco, entailed trucking services from Al Qahtani Pipe Facility to Jubail CWC Linepipe. The transported line pipes vary in diameter from 10" to 28" and were 12 m and 24 m in length.

The operation involved over 15,000 trucks, with 50 to 100 trucks per day utilizing a customized U-frame transport configuration. TGP was also involved in three further prestigious Saudi Aramco oilfield expansion projects.
